New Jersey Division of Taxation	No	Allow truncation on the W-2 copy 2 that the individual attaches to your state's income tax return		Employers will be required to submit full SSN information on the W-2s they send directly to us. Additionally, workers will be required to still include their full SSN on the first page of the Individual's tax return.	We will only accept the truncation on the employees copy. It may however add delays to paper filed returns in order to properly verify the individual's identity. Paper returns only represent approximately 160,000 of the total population of returns.
New Mexico Taxation and Revenue	No	Allow truncation on the W-2 copy 2 that the individual attaches to your state's income tax return		This will begin after Dec. 31, 2020	We have not provided guidance yet.
